### Rally Electric Inc. joins Huntsville Hospital Foundation's Business Cares Program

**Tuesday December 19, 2023 Huntsville Ontario:** Rally Electric Inc. is proud to announce they are the most recent partner to join the Huntsville Hospital Foundation's Business Cares Program. Their donation is an investment in our community which will help improve healthcare for all residents.

Rally Electric Inc. owned by Luke Howell and Stuart Young, is fully committed to residential and commercial electrical work. Serving customers throughout Muskoka, including Huntsville, Lake of Bays, and surrounding area, they offer, reliable and efficient service for all your electrical needs.

Luke Howell told the foundation: "We are proud to support the Huntsville Hospital for the next 5 years. Friends, families, and ourselves have experienced health challenges that have been resolved by the great team at our hospital. We hope our contribution helps today and into the future of this community."

Katherine Craine explained: "The team at Rally Electric stepped up without question to donate their time and talents on the recent expansion of our Foundation office "Bunkie". We truly appreciate the good will and kindness of all our donors as we look into the future!" "Thank you, Luke & Stuart, for your kind support of our community and our hospital!"

Huntsville Hospital Foundation in partnership with their Business Cares Committee officially launched their "Business Cares" initiative in January 2016 with the goal of enrolling forty businesses in the community. They are very happy to report that they have surpassed their goal, with over 60 partners supporting the program. Their plan is to continue with this successful initiative, as they have many businesses expressing interest in joining the Business Cares community.

Since its inception, over \$2M had been raised, with partners committed to donating \$25,000 or more over the next five years for Healthcare for life, here. Many of these partners have completed their first pledge and have signed up for another 5 year pledge. The idea is simple, it generates consistent, dependable funding for the hospital every year. Business Cares has created a like-minded community of business owners who value the role Huntsville Hospital plays in their future.

Pat Dubé, Committee Chair, is joined by Committee Members Chantelle Armstrong, Katherine Craine, Mike Harrower, and Trish Kruusmagi who are very active in pursuing new Business Cares Partners, and exploring more, much needed support for Huntsville Hospital.

Pat Dubé sends this message: "The ability of a community to invest in its own health and future for our neighbours, our families and everyone who visits here is evident in the support of local business leaders. I'm sure you share my profound gratitude to them all. We're great when we work together – that's Business Cares."

Huntsville Hospital Foundation is a fundraising organization dedicated to improving healthcare services for residents of Muskoka and East Parry Sound. A registered charity since 1984, its mandate is to provide ongoing capital and education resources for Huntsville District Memorial Hospital. This will ensure our hospital and medical professionals have the technology and equipment they require to provide exceptional care.
